

ORKNEY ISLANDS AREA LICENSING BOARD
GUIDE TO RISK ASSESSMENTS FOR APPLICATIONS FOR
OCCASIONAL LICENCES AND OCCASIONAL EXTENSIONS

Introduction

This document is designed to provide advice and assistance to applicants for Occasional Licences and Occasional Extensions with regard to carrying out a risk assessment exercise in terms of the 5 Licensing Objectives.

The Orkney Islands Area Licensing Board in its statement of Alcohol Licensing Policy has indicated that a risk assessment should be undertaken before any application is made to the Board for an Occasional Licence or Extension.

The results of that risk assessment should then be exhibited to the Board, by every applicant, when making the application for an Occasional Licence or Extension under the Licensing (Scotland) Act 2005. By requiring applicants to undertake risk assessments the Orkney Islands Area Licensing Board is promoting the Licensing Objectives. Applicants will also promote the licensing objectives through any actions taken in response to their assessment.

The Licensing Objectives are:

- 1 Preventing crime and disorder
- 2 Securing public safety
- 3 Preventing public nuisance
- 4 Protecting and improving public health
- 5 Protecting children from harm

In preparing this document we have sought to give applicants as much assistance with the process as possible. Each premises is unique and not all matters will be relevant to each premises.

The table overleaf includes a few examples of risk factors and possible control measures for a Country Dance. It is not meant to be a comprehensive approach. Applicants must conduct thorough analyses of their own practices and procedures and devise suitable control measures.

The risk assessment overleaf is only an example. The amount of detail you will need in your risk assessment will depend on your business and your activities.

The completed risk assessment will provide valuable information to the Board and demonstrate that applicants have taken these matters into account.
