## **3. Background**

### **3.1.**

Planning application 21/054/PIP relates to the proposed siting of a replacement house at Hewing, Redland Road, Firth.

### **3.2.**

The Appointed Officer refused the planning application on 15 April 2021 on the following grounds:

#### **3.2.1.**

The proposed site location would not reflect the character of the surrounding rural area and would appear incongruous and intrusive due to inappropriate siting within the landscape. The development fails to comply with Policy 1 – Criteria for All Development, sections (i) and (ii) of the Orkney Local Development Plan 2017.

#### **3.2.2.**

The site of the proposed replacement house is not situated on the same site, with no material planning benefits provided to allow an exception. The development is therefore contrary to Policy 5E (iii) – Housing – Single Houses and New Housing Clusters in the Countryside of the Orkney Local Development Plan 2017.

#### **3.2.3.**

The proposed house site is not considered to be situated to minimise negative impacts on the local landscape. The proposed site location has the potential to add to incongruous single house development in the countryside. Given the location of the development and prominence within the local landscape, the proposed development is considered contrary to Policy 9 – Natural Heritage and Landscape, section G (i) and (ii) of the Orkney Local Development Plan 2017.

#### **3.2.4.**

The proposed development does not accord with all relevant Development Criteria (DC), as required and as stated within Supplementary Guidance: Housing in the Countryside 2021, specifically in relation to DC2, on the basis that “The proposed site is not located nor situated to fit into the landscape nor does it minimise landscape and visual impacts of the development.”.

### **3.3.**

In terms of the Town and Country Planning (Schemes of Delegation and Local Review Procedure) (Scotland) Regulations 2013, the applicant has submitted a Notice of Review and supporting information, which is attached as Appendix 1 to this report.

### **3.4.**

The Planning Handling Report, Planning Services file and the Decision Notice, including the reason for refusal, referred to in section 3.2 above, are attached as Appendices 2, 3 and 4 to this report.

## **4. Review Procedure**

### **4.1.**

In response to a Notice of Review “interested parties” are permitted to make a representation to the Local Review Body. “Interested parties” include any party who has made, and not withdrawn, a representation in connection with the application. No further representations were received.

### **4.2.**

In accordance with the Council’s policy to undertake site inspections of all planning applications subject to a local review, prior to the meeting to consider the review, a site visit to Hewing, Redland Road, Firth, was undertaken at 11:30 on 20 May 2021.

### **4.3.**

The Local Review Body may uphold, reverse or vary the decision of the Appointed Officer. In the event that the decision is reversed, draft planning conditions are attached at Appendix 5 for consideration.

### **4.4.**

If the Local Review Body decides that further procedure is required, it may decide to hold a pre-examination meeting to consider what procedures to follow in the review, or to obtain further information by one or more of the following methods:

- By means of written submissions; and/or.
- By the holding of one or more hearing(s).

## **5. Relevant Planning Policy and Guidance**

Section 25 of the Town and Country Planning (Scotland) Act 1997 as amended states, “Where, in making any determination under the Planning Acts, regard is to be had to the development plan, the determination is, unless material considerations indicate otherwise....to be made in accordance with that plan...”
