## **Orkney Local Employability Partnership.**

No One Left Behind (NOLB) aims to change the employability system in Scotland to make it more adaptable, responsive and person-centred. In Orkney this will be delivered via the Orkney Local Employability Partnership.

The Orkney Local Employability Partnership established in 2020 and is a multi-agency approach to ensure that partners work collaboratively to deliver employability services across Orkney. Through collective leadership, the Partners aim to develop shared objectives to service design which addresses the need of the individuals we work with and employers and embraces greater integration and alignment of resources in order to simplify and maximise opportunities.

The aim of the Orkney Local Employability Partnership is to work with individuals and employers to raise as many Orkney residents as possible out of poverty through sustainable and fair work; supporting those who face multiple barriers into employment and enabling progression out of poverty for those who are already in work.

## **Background to the fund.**
