Your Guide to Dry Recyclate Collection

You will have received 2 green wheelie bins (with blue lids) and 2 inner caddies for your recycling material. Please ensure that all recyclable materials (thin card/paper/glass/plastic bottles) are placed loose in the bins. If they are mingled together, your bin will not be collected. Internal caddies are provided for storage only and should not be used to present recycling for collection.

Recycling is more valuable when they are clean. If in doubt, please leave it out.
