Westray

Digital Safety & Scam Awareness – Drop In

Friday, February 27
**Höfn Youth Centre,**
10 am - 12 pm & 2 pm - 4pm

- Scam awareness
- Safe online shopping
- Passwords and security
- Help with digital connectivity and landlines

Orkney Islands Council is hitting the road for Cyber Scotland Week -offering free, drop-in sessions to help you stay safe and confident online. Come along, ask questions, and get practical support from our Digital, Learning Link, and Trading Standards team.

CyberScotland Week returns from 23–28 February 2026, bringing together organisations, businesses and communities across Scotland to share knowledge, strengthen resilience and celebrate innovation in cyber security. This year's theme, "Can't Hack It?!", highlights how simple, practical steps can help everyone stay safer online.
