- Sophie Mackay.
- Taliah Drayak.

2.4. That a Service User Group be established, which will be facilitated by the Policy and Performance Manager.

3. Background

3.1. Section 3 of the Public Bodies (Joint Working) (Integration Joint Boards) (Scotland) Order 2014 (the 2014 Order) regulates membership of the Integration Joint Board. The Board must comprise voting members nominated by the health board and the local authority, together with non-voting members who are holders of key posts and representatives of groups who have an interest in the Integration Joint Board.

3.2. Section 3(6) of the 2014 Order states that, once an integration joint board is established, it must appoint, in addition to the voting and non-voting members who are holders of key posts, at least one member in respect of each of the following groups:

- Staff of the constituent authorities engaged in the provision of services provided under integrated functions.
- Third sector bodies carrying out activities related to health or social care in the area of the local authority.
- Service users residing in the area of the local authority.
- Persons providing unpaid care in the area of the local authority.

3.3. Sections 3(8) and 3(9) of the 2014 Order also allows for the Integration Joint Board to appoint such additional members as the Board sees fit, but that member cannot be a councillor or a non-executive director of the Health Board. Locally, the Integration Joint Board has determined that membership should include a representative from Housing Services.

3.4. As a result, the Orkney Integration Scheme, established in terms of section 1(2) of the Public Bodies (Joint Working) (Scotland) Act 2014, states that membership of the Orkney Integration Joint Board should include the following co-opted Non-voting Members:

- The Chief Officer of the Board.
- The Chief Finance Officer of the Board.
- Senior clinicians including:
 - A registered medical practitioner whose name is included in the list of primary medical services performers prepared by the Health Board in accordance with Regulations made under section 17P of the National Health Service (Scotland) Act 1978.
 - A registered nurse who is employed by the Health Board or by a person or body with which the Health Board has entered into a general medical services contract.
 - A registered medical practitioner employed by the Health Board and not providing primary medical services.
- The Local Authority's Chief Social Work Officer.
- A patient/service user representative.
- A carer's representative.

- A representative of the third sector.
- A staff representative from each of the Parties.
- A housing representative.

3.5. Section 7(1) of the 2014 Order provides for the term of office of a member of the Integration Joint Board, which is to be determined by the constituent authorities, but is not to exceed three years. Section 7(3) states that, at the end of a term of office, a member may be reappointed for a further term of office.

3.6. The Orkney Integration Scheme states that the Chair and Vice-Chair rotate every two years in May, to enable the appointments of Chair and Vice Chair to rotate equally between the Local Authority and the Health Board. The Chair does not have a casting vote.

3.7. All other appointments, with the exception of the Chief Officer, the Chief Finance Officer of the Board and the Chief Social Work Officer, who are members of the Board by virtue of the Regulations and the post they hold, will be for a period of two years. In addition, individual appointments will be made as required when a position becomes vacant for any reason.

3.8. Standing Order 23.1 of the Orkney Integration Joint Board's Standing Orders (for meetings) states that the Integration Joint Board may establish any Committee or Sub-committee of its members for the purpose of carrying out such of its functions as the Board may be determined.

3.9. When the Board establishes such a Committee or Sub-committee, it must determine who will act as chairperson of such Committee or Sub-committee, as well as the terms of reference including delegated authority for each.

5. Orkney Islands Council – Voting Members

5.1. Orkney Islands Council has advised the following appointments to the Integration Joint Board for the period to May 2027:

- Councillor Rachael King, Voting Member.
- Councillor Jean Stevenson, Voting Member.
- Councillor Lindsay Hall, Voting Member.
- Councillor Ivan Taylor, Proxy Member.
- Councillor Mellissa Thomson, Proxy Member.
- Councillor Heather Woodbridge, Proxy Member.

5.2. Orkney Islands Council has also indicated that Councillor Rachael King will remain as Vice Chair of the Integration Joint Board until May 2027.

5.3. It should be noted that these appointments are for one year only, given the Local Government election is due to be held on 6 May 2027.

6. Service User Representative

6.1. In November 2025, following the resignation of the long standing Service User Representative from their position on the Board, a request for a Service User Representative was shared with Community Councils, NHS Orkney and Orkney Islands Council's Communications teams, the Third Sector and the Youth Forum asking if anyone was interested in learning more about the role and/or interested to get in touch.

6.2. In January/February 2026, the Chair, Vice Chair and Chief Officer met with individuals who had indicated an interest in the role.

6.3. As indicated in section 3.2, the Integration Joint Board must appoint at least one service user residing in the area of the local authority.

6.4. Given the interest shown through the exercise detailed at section 6.1, and in light of feedback from previous Carer Representatives, to assist in fulfilling the role on the Board and to provide meaningful contribution, it is proposed to appoint two Service User Representatives.

6.5. It is therefore proposed that the following individuals are appointed as Service User Representatives on the Board:

- Sophie Mackay.
- Taliah Drayak.

6.6. It is also proposed that a Service User Group be established, facilitated by the Policy and Performance Manager. This will enable peer support for the two Service User Representatives and allow wider engagement with people who use services delegated to the Integration Joint Board.

8. Resource and financial implications

8.1. There are no resource implications arising directly as a result of making appointments to various positions on the IJB.

9. Risk, equality and climate change implications

9.1. Failure to appoint Board Members would result in the Integration Joint Board failing to meet the requirements of the Public Bodies (Joint Working) (Integration Joint Boards) (Scotland) Act 2014, the Public Bodies (Joint Working) (Integration Joint Boards) (Scotland) Order 2014 and the Orkney Integration Scheme.

9.2. The above risks can be addressed should all vacancies be filled and/or re-appointments made.

9.3. As indicated in section 3.2 of this report, Sections 3(8) and 3(9) of the Public Bodies (Joint Working) (Integration Joint Boards) (Scotland) Order 2014 allows for the Integration Joint Board to appoint such additional members as the Board sees fit, however that member cannot be a councillor or a non-executive director of the Health Board. As such, the Board is able to appoint two Service User Representatives.

9.4. There are no other equality or climate change implications directly arising as a result of this report.
