Item: 3

Enterprise and Infrastructure Committee: 10 November 2026.

Inter-Island Ferry Services – Proposed Summer 2027 Timetable.

Report by Director of Enterprise and Resources.

1. Overview

1.1. This report presents the draft summer 2027 timetables for inter-island ferry services for members' approval.

1.2. The draft timetables in respect of ferry services to be operated by Orkney Ferries Limited during summer 2027 were presented to the Ferry Services Forum for consideration on 19 August 2026, with the main comments and representations outlined in section 4 of this report.

1.3. The draft timetables and feedback from the Ferry Services Consultative Forum were presented to the Board of Orkney Ferries on 29 October 2026.

1.4. In advance of the Council's budget setting process for 2027/28, the timetable in respect of inter-island ferry services will be subject to an adequate service revenue budget being established.

1.5. The proposed timetables for summer 2027, attached as Appendices 1 and 2 to this report, are consistent with that operated during summer 2026, noting that services and operating hours are already at capacity.

2. Recommendation

2.1. It is recommended that members of the Committee:

i. Approve the timetables in respect of ferry services to be operated by Orkney Ferries Limited during summer 2027, attached as Appendices 1 and 2 to this report, subject to an adequate service revenue budget for 2027/28 being established.

3. Background

3.1. In accordance with the Service Level Agreements entered into by Orkney Ferries Limited and the Council, a recommendation from the Board of Orkney Ferries must be made via the Head of Marine Services and Transportation in order for the winter and summer timetable periods to be approved by this Committee.

3.2. The six Outer North Isles Community Councils each appoint a Transport Representative to represent their respective communities on the Inter-Island Ferry Service Forum.

4. Ferry Services Forum

4.1. The draft timetables for summer 2027 were considered by the Ferry Services Consultative Forum on 19 August 2026 following circulation of the draft timetables to the communities and on-line in advance.

4.2. In addition to circulating the draft timetables to the Community Council for consideration in advance of the forum, the draft documents were made available to view via the Council website, ensuring wider consultation with communities.

4.3. **Rousay, Egilsay and Wyre**
The Rousay, Egilsay and Wyre Community Council Transport Representative received no proposed changes from residents and was therefore happy with the draft timetable as outlined.

4.4. **South Isles**
Further time was given for the communities to consider the weekend connections and whether there were any further proposals to amend these times. This was following historic discussions where the weekend timetables benefit visitors to the island rather than residents travelling off island.

4.5. Following additional time, no further changes were presented by the communities.

4.6. **Graemsay and Hoy (Moaness)**
Discussions were focused on reliability of service, particularly for school pupils and the need for clear messaging for parents from Education. It was noted that improved fendering options were being explored by Marine Services and Transportation, in consultation with Orkney Ferries Limited.

4.7. **Shapinsay**
A request was made for the 08:00 sailing on Sundays to run monthly on the first Sunday of the month. It was agreed that Orkney Ferries Limited would advertise

these summer excursion dates to ensure that people were aware of them. No other changes were proposed to the timetable.

4.8. **Outer North Isles**
The Outer North Isles timetable for summer 2026 is consistent with that currently operated, noting that the Friday morning arrival times to Kirkwall remain a concern for the communities.

4.9. **Papa Westray Passenger Service**
No proposed changes to the timetable. It was noted that the Tuesday timetable for Papay can be challenging to find online. It was agreed that this would be amended on the website.

4.10. **North Ronaldsay**
No proposed changes to the timetable.

4.11. **Nordic Sea - Eday, Sanday, Stronsay and North Ronaldsay**
Attached as Appendix 2 is the proposed summer 2007 timetable for the Nordic Sea vessel. It should be noted that the Nordic Sea forms part of the resilience response and may be removed at short notice if there is a vessel breakdown elsewhere in fleet

Implications of Report

1. **Financial:** The timetables attached as Appendices 1 and 2 represent a continuation of the existing level of service provision.
Subject to budget availability, an additional passenger service for the North Isles will operate during summer 2027, consistent with 2026 following a further period of consultation.
The revenue budget for the current financial year, stands at £28.877M, fully funded with specific grant funding received from the Scottish Government to provide the resources needed to maintain the existing level of service, but also includes additional funding for the ferry replacement programme.
In advance of a service budget being established as part of the Council's annual budget setting process for financial year 2027/28, the level of ferry service provision for next financial year is subject to an adequate budget being made available for that purpose.
Orkney Islands Council has not set its 2027/28 revenue budget but has submitted a request to the Scottish Government for funding of £32.757M for 2027/28. It should be noted that as in the current financial year, the full amount will not be passed directly

to Orkney Ferries Limited, as the figure also includes provision for ferry replacement borrowing costs and the costs of improved inter-island connectivity.

2. **Legal:** Section 153 (2) of the Local Government (Scotland) Act 1973 empowers the Council to "acquire, provide, maintain, improve and operate any ferry situated wholly or partly within their area".
   Orkney Ferries Limited operates the ferry services on behalf of Orkney Islands Council under Service Level Agreements, updated in 2024.
   The Service Level Agreements state that the timetables for the summer period should be recommended by the Company to the Council's Development and Infrastructure (now known as Enterprise and Resources) Committee for approval.
   The Service Level Agreements state that Orkney Ferries Limited will operate the "Approved Services" and in return for funding from the Council. The definition of "Approved Services" covers inter-island ferry services as approved by the Council.
3. **Corporate Governance:** In accordance with the Scheme of Administration, the determination of timetables in respect of inter-island ferry services is a delegated function of the Enterprise and Infrastructure Committee.
4. **Human Resources:** None related to the report recommendations.
5. **Equalities:** None related to the recommendations in this report.

DRAFT

Passengers must be available for boarding **10 minutes before departure**.

*Sailings to North Ronaldsay are **on request** and must be booked before 12:00 on the day of sailing. Due to scheduled excursions, the **North Ronaldsay** service will not operate on **27th June, 18th July, 25th July** and **29th August**

All sailings will be subject to forecasted weather and tidal conditions. Boarding will be at the link spans via the bow ramp of MV Nordic Sea, except at North Ronaldsay, where it will be alongside the pier.

Passengers wishing to use this service will need to book and make payment in advance of travel, booking is available via our website orkneyferries.co.uk or by calling our office during opening hours on 01856 872044

Bicycles can be carried on this service and will be secured to the outside deck. Please note that as there is only one passenger lounge on the Nordic Sea, dogs are not permitted except for registered assistance dogs (as per our assistance dogs policy) or dogs travelling in pet carriers.
