If you have any comments or feedback regarding public transport, please contact the Transportation Team at **transport@orkney.gov.uk** or call **01856 873535**.

Public bus services across Orkney Mainland are timetabled to avoid school transport times so that the same driver and bus can operate both services for efficiency and Best Value. Therefore, some timetables are highlighted to show amendments during school term time, or school holidays (Easter, Summer, October and Christmas). School term dates can be found online at: **orkney.gov.uk/schools**

* Some Secondary School buses are currently registered to carry fare paying passengers during term-time subject to available capacity. Therefore these services may be subject to change.

Thistle Assistance Card - Thistle Assistance is an initiative to help you feel safer and more comfortable when using public transport. It's free to use for anyone who needs it. The card is recognised by a wide range of public transport providers across Scotland. Cards are available to pick-up from various locations including Kirkwall Travel Centre & Stromness Terminal Building and various Transport Operators. For more info go to **thistleassitance.com**

Service X1 operated commercially by Stagecoach without financial support from Orkney Islands Council. The Council has no control over changes or amendments to the timetable. However, the Council work with the operator and pass on timetabling suggestions for consideration.

Service X1 - Passengers are advised not to walk from the Standing Stones of Stenness to the A965 / Brodgar junction, or along to the A965 Brodgar junction and Stenness village to catch buses.

Friday and Saturday evening bus services operate in the East Mainland, West Mainland and Kirkwall and Orphir areas. Continuation of these services will be subject to external grant funding and usage.

Note: Bus timetables may be subject to change to coincide with local events / ferry timetable changes. Timetables are correct at the time of going to print (October 2026), however, in the event that timings may change, we recommend that you contact the appropriate operator.

Free Bus Travel - If you are under 22, over 60 or have a disability and live permanently in Scotland, you are eligible to apply for a Scottish National Entitlement Card. You can apply online at **getyournec.scot** or contact the Transportation Team at Orkney Islands Council, email: **transport@orkney.gov.uk**
